13 Mr. Krumbiegel's programme of work was laid down in G.O. d 16 Jan 1909 (D). I think he has been working towards achieving the results laid down, though much progress cannot be said to be made beyond the initial stage. The details are to be found in the annual reports submitted by him. I think his service has been satisfactory so far & he should be given an extension. I would suggest that it may be either for 5 yrs more or as permanent on the usual conditions

14 It would be a useful improvement if it can be so arranged now that the Horticultural Deptt shd be under the same control as part of the Agrl Deptt of the State.

15 (1) The period of employment of Mr.G.H. Krumbiegel, Superintendent, Government Gardens and Museum in Mysore, terminates by the 7th January 1913, and the question of extending his services or otherwise nas now to be considered.

(2). Mr. Krumbiegel's present programme of work was laid down in Government Order No.R.4840-76/Agri.137-07-2 dated 16th January 1909, and the arrangements connected with the Dasara Industrial and Agricultural Exhibition were also entrusted to him as President of the Exhibition Committee, by Government Order No.R.4554-92/L.R.194-08-1 dated 9th January 1909. Mr. Krumbiegel has not been able to keep to the programme, not perhaps through any fault on his part, but I believe he has on the whole rendered very satisfactory service.

(3). I have informally consulted the Second Councillor who has no objection to Mr. Krumbiegel's services being extended for a further period.

(4). The First Councillor thinks that Mr.Krumbiegel's service has been satisfactory so far and he should be given an extension. He suggests that it may be either for five years more, or permanent on the usual conditions.

(5.) Mr. Krumbiegel's own wishes are that any uncertainty in regard to himself should terminate and that he should be permanently taken into the State service in order that the period of duty may count towards earning a pension here. Mr. Krumbiegel was born on the 18th December 1865 and he thus completes 47 years this month. He was entertained on 7th January 1908 on a pay of Rs.600-$\frac{25}{1}$-1000, out of which Rs.250 is debited to the Palace budget. He has since been given a conveyance allowance of Rs.75 per mensem. If he is permanently taken into the service, the temporary service will count and he will have put in about 13 years' service before he is declared to be superannuated under the Mysore Service Regulations.

(6.) If the extension of his service is approved, the question of any improvements or alterations that may be considered necessary in the methods of working the Department, will be discussed with Mr. Krumbiegel and the other officers concerned and definite proposals therefor submitted in due course.

(7.) Mr. Krumbiegel's services may be extended for five years only or he may be taken permanently into State service as His Highness may be pleased to decide.

regard to this point the following passages from Mr. Brunhigel's applcn. of 11th June 1907. D.O. of 14th Nov. 1907 addressed to him by the Secy and the D.O. of 6th January 1908 are reproduced for ready reference:

28. This is apparently the preliminary negotiation on this point referred to by Mr. Brunhigel But it is not clear how either the request made by him in his application or the terms of employment offered to him by the Govt. could mean that he should get full pension after 20 years' service.

29. In the last sentence of his letter Mr. Brunhigel states that "the Service Regns

I do not agree. This assumes that Mr. Krumbiegel was employed ordinarily under the M.S.R. instead of under a special agreement. M 16/1/13

Yes, this is the rule applicable to permanent officers appointed under the M.S.R. Mr. Krumbiegel was appointed only for five years. In such cases pension or gratuity is not ordinarily admissible, but it was specially stipulated in this case that if Mr. K. was retained for 20 yrs he would get a pension calculated according to the M.S.R. M 16/1/13

As Mr. Krumbiegel was entertained when he was 41 years old on Appointment it means that Exemption from the 25 yrs Rule was given and the fact that 20 yrs service was mentioned as entitling him to pension owed on it mean that the max pension of 1/2 wd be available after that length of service. In not restrictive and as in ordinary cases a superior officer retiring after 5 yrs gets a gratuity and after 10 years a pension no matter what age he was entertained it cannot mean that Mr. Krumbiegel cannot get any pension till he gets in 20 years Service.

33. We can bring to Mr. Krumbiegel that he will get Max pension after 20 years Service and proportionate periods under the ordinary rules of the M.S.R. is correct. Was however the meaning that if Mr. Krumbiegel retires after 20 yrs Service there will be no deduction from age while if he retires earlier the deduction of 4/40ths for every year under 20 at the time of entertainment will operate unless specially exempted - that Mr. K will get a max - if he retires at the age of 55 is correct - We can get as many bottles reduced by 11/40 ths as the max.

As already verbally explained I now write to request that in the new Government Order re. my permanent engagement the pension according to Mysore Service Regulations be made clear.

Para 3 of the former Government Order No. G. 3852-3/G.M.315-06-90 dated 4th January 1908 could be so construed as to not entitle me to pension till after 20 year's service, whereas what was agreed to in the preliminary negotiations was that full pension (which is otherwise only due after 25 to 30 year's service) should be payable after 20 -- years.
